International Society for Mountain Medicine

# X. World Congress on High Altitude Medicine and Physiology & Mountain Emergency Medicine

## Hypoxia and Cold – From Science to Treatment

**EURAC research**  
**Bozen/Bolzano, Italy**  
**25-31 May 2014**

### Medical workshops

- Targeted temperature management in accidental and therapeutic hypothermia
- Trauma management
- Mechanical chest compression devices in mountain emergency medicine
- Alternate access for drug and volume administration
- Ultrasound at high altitude – optic nerve/lung

### Applied workshop

- High-resolution respirometry and mitochondrial function under hypoxia

### Wilderness workshops

- Surviving the cold
- Stings, bites and animal attacks
- Wilderness survival skills
